Re: Extension of time related to GPA-4631 & Zon-4635:
7180 West Azure Dr, Las Vegas.89130

We are requesting an extension of time for the development of the above property.

The applicant is proposing a medical office building. Currently there is a residence on the property that would be remodeled to accommodate the medical office uses. The applicant also proposes a 4,500 square foot medical office expansion in the near future. The existing building is surrounded by mature intense landscaping and will remain residential in character. The proposed site plan satisfies Title 19 development requirements including parking and landscaping. The original project scope is above.
